

Town of Gates

Building Community 2016

April, 2016

Dear Valued Business Partner:

As Chief of the Gates Police Department, I am honored to announce the formation of ***Building Community 2016***, a year-long celebration of the people of Gates. I write to provide information on how you can be part of this endeavor, to make the Town of Gates more beautiful as we enter the spring and summer months.

This project will involve the placement of American Flags and large planters filled with seasonal flowers, within the Buffalo Road, Pixley and Wegman Road corridor. Now that the construction is complete, it is time to spruce up as we celebrate the West End Festival this July 15th.

As a vital business in this area, I ask you to consider joining us in this beautification project, by serving as a sponsor of one of the many planters that will line the roadways. Your corporate logo will be displayed on "your" planter to let everyone know of your civic involvement in this project. Working in cooperation, it is a great opportunity to highlight your business and the good people you serve. Your involvement demonstrates the pride you have in being a part of the Gates community.

Please consider joining us by sponsoring a large flower pot in the amount of \$250.00. These flowers will be attended to and kept looking great throughout the growing season. Checks for however many pots you decide to sponsor, can be payable and sent to: ***Gates Chili Community Connections, 1605 Buffalo Road, Rochester, NY 14624.***

Thank you so much for your consideration and we look forward to your participation in ***Building Community 2016***, here in the Town of Gates. I will be happy to meet with you, answer any questions you may have and get your thoughts on the project. Feel free to call me: 281-8440.

Jim VanBrederode
Chief, Gates Police Department
