SUPERVISOR'S MESSAGE**A Message from Supervisor Cosmo A. Giunta**

Where did this summer go and what an uncharacteristic summer we've had? While parts of the country battled excessive heat, wildfires and record breaking temperatures, we battled unusual amounts of rain and humidity all summer long which also was the reason behind the exploding mosquito population. I think I donated more blood to them this year than at the blood bank.

Just a recap on what happened over the past few months.

We kicked off summer with a beautiful and well attended Memorial Day celebration. If you missed it, I hope you join us next year. It was great to see all 5 of our Recreation summer camps sites full again this summer. Our Summer Celebration was fun filled with food trucks, vendors, and live music including performance by Nik and the Nice Guys followed by fireworks.

In July, we recognized one of our residents and WWII veteran, Domenic Palozzi, who celebrated his 100th Birthday. (Pictured below). We congratulated Officers Andrews, Berry and Williams who completed their field training and now will be patrolling our town on their own. We also hired another officer recruit, Justin Sale, who is currently attending the Police Academy and is expected to be on the road this winter.

This summer, our Highway Department was able to mill and pave, all or portions of 9 roads, totaling 2.8 miles. They were also able to chip seal another 30 roads in our Town totaling another 9.3 miles. We plan to have our major roadwork projects completed by mid-August. We will then begin to catch up with our trees, concrete and drainage backlog before leaf season hits and the snow starts to fly. Additional exciting news, we erected a new 20' x 60' outdoor pavilion at our First Responders Park for residents to enjoy.

In closing, I hope everyone enjoyed their summer and that the fall season is just as wonderful for you and your family. Please do not hesitate to contact me with any questions, comments or concerns either through email: supervisor@townofgates.org, calling me at 585-429-8210 or stopping into my office. As always, don't forget to visit our website www.townofgates.org or Facebook page for more information.

Town Supervisor

School tax bills will be mailed at the end of August. Full amount is due by October 2nd without interest. A 2% late fee will be added on full payments made between October 3 – 31.

If you are doing installment payments, only the first payment can be made at the Town Hall Clerks Office. First payments must be made by September 15th without interest. They may also be made from September 16th through September 20th with 1% interest added. Second and third installments must be paid to the Monroe County Treasurer and mailed to PO Box 14420, Rochester, NY 14619 or in person at 39 West Main St. We will be open on Monday, October 2nd from 8 am to 7 pm. You can either mail full payment or first installment to 1605 Buffalo Rd., Rochester, NY 14624, come in person, drop off in the night deposit box (purple mailbox) located between the Police and Court department entrance at the Town Hall. Payments should be made out to Veronica Owens, Tax Receiver. You may also pay online at Monroe County's website or on the Town of Gates website. Please review the back of your tax bill for additional information and complete payment instructions. If you do not receive your tax bill by September 6th, please call 247-6100 ext. 411 for a duplicate tax bill.

2023 Election Information

General Election will be November 7, 2023. If you are registered to vote, you will receive notification from Monroe County BOE confirming your polling site location. If you need a voter registration form, they are available at the Town Hall reception desk. If you are unsure where your polling site is, please go to the Monroe County Board of Elections online voter portal at: [Monroecounty.gov/etc/voter](https://monroecounty.gov/etc/voter).

Hunting Licenses are now on sale

Deer management permits (DMPs) are on sale now until October 1st. Second Round DMPs will be available November 1st on a first come first serve basis.

Please visit the DEC website at

<https://www.ny.gov/services/get-new-york-state-hunting-license> for information regarding age requirements, hunter education certificates and residency requirements.

Did you know:

All dogs in the Town of Gates must have their rabies vaccine and be registered at the Town Clerks office.

There will be a free Rabies clinic on September 12, 2023, from 5 pm to 7 pm for dogs and cats only at Memorial Park. It will be first come, first serve. For a list of other free clinics in Monroe County please check Monroe County's website: <https://www.monroecounty.gov/eh-rabies>.

Fire Prevention Week Oct 8, 2023 - Oct 14, 2023

Fire Prevention Week was started by the National Fire Protection Association (NFPA) in 1922 to commemorate the Great Chicago Fire of 1871. Fire Prevention Week teaches children and adults how to stay safe in the event of a fire.

Thanksgiving Safety

Did you know Thanksgiving is the peak day for home cooking fires?
Don't be a statistic! Here's some cooking tips:

1. Stay in the kitchen while cooking to keep an eye on your food.
2. Keep children away from the stovetop at least three feet away.
3. Keep the kitchen floor clear to avoid tripping hazards.
4. Keep electric devices such as hot plates, electric knives and mixers away from the corner of counter tops.
5. Have working smoke alarms. Test them once a month and change the batteries twice a year.

Fall breeze will soon bring those autumn leaves.....

The Town of Gates offers leaf pick up in the Fall for our residents. Please keep in mind that this process is very weather dependent. Rake your leaves to the street as soon as you can!

Just a few friendly reminders with leaf pick up

- o Leaf pick up does not follow the regular brush schedule. It can take several weeks to get through the entire town for the first sweep.
- o Please do not put your leaves directly in the gutter. They can block storm drains and cause roads to flood.
- o Please make sure what you put in the piles is strictly just leaves to make sure our trucks are not damaged and our employees are not hurt.
- o Typically leaf pick up runs from late October through Thanksgiving. Any leaves that are not picked up by the Town, we ask that you bag them and leave for your local garbage company.
- o Our goal is to get all the leaves picked up in the Fall. If the weather prevents this, we will be back to get them in the Spring.
- o To help us help you, rake your leaves early and often. Thank you!!!!

Project Spotlight

Elmford Dr Culvert Replacement: These culverts were installed in the early 60s and were in dire need of replacement. This summer, your Highway Department removed the old culverts and installed new pipes, pavement, gutters and sidewalks. They did an awesome job!

**WE HAVE A NEW FACE IN THE BUILDING DEPARTMENT!
PLEASE JOIN US IN WELCOMING BRIANNA SMITH.**

Brianna has been with the Building Department since March of 2023. She is the Planning Assistant and oversees all applications that go before the Planning & Zoning Board. She is currently working on getting her Master's Degree from the University of Florida. She will be graduating this December with her Master's degree focusing on Urban & Regional Planning. Brianna has already been a great asset to the Building Department in her new role.

If you have any questions about Planning or Zoning board please contact Brianna directly at (585) 429-8243.

**PRO TIPS FROM THE
BUILDING
DEPARTMENT:**

- Be sure to double check whether a permit is needed before starting any projects this season.
- If you are thinking of getting your driveway re-done, please remember you would need to obtain a permit for this. It is called our Right of Way permit.
- As of February 2023, there is a new Town code which requires all residential rental properties to obtain a rental permit. This new Town code is Chapter 148. More information can be found on our website or by calling the office.

A Quick Note about Street Trees:

The Town has over 5,000 trees along its streets, and we appreciate every single one. They improve our environment and provide a scenic, aesthetic quality to our Town! They protect our neighborhoods by providing shade, abating noise, and improve the air quality. We know they can be a maintenance burden, but they're worth it!! If you've lost your street tree and want to replace it, contact the Building Department!

Welcome to the Town of Gates Assessor's Office. Your Assessor is Agostino Mineo (Augie). His assistants are Dawn Becker, Carlton Maxwell, and Carol Stone (Froggy). We hope everyone had a great summer!

Tax rates are set by each taxing entity independently of each other, like County, Town, Schools, Fire District, Ambulance etc.... The function of the Assessment Office is only to establish the value of your property.

Both the tentative and final assessment rolls are published and placed on the Town webpage (required by law), and are also available in the Assessment Department during business hours.

The Assessor's Office is also responsible for administering any exemption(s), where eligibility is met. We offer Limited Income Senior, Limited Income Disability, Veterans, and Volunteer Fire/Ambulance Workers exemptions. These applications are available in our office and on the Town website.

If you are already signed up for our Limited Income Senior or Disability programs, Halloween is the time to start checking your mail for your renewal application. When you receive it, you already have your 2022 income which is what we need. As always, all applications are due by March 1st.

Please note that Monroe County has raised their limit for the Senior and Disability exemptions to \$58,400 using 2022 income. This new limit applies only to the County portion of your Town/County bill. There may be more changes coming, so please check out our webpage often in the next few months. New applications should be available by November. As you are celebrating Thanksgiving, make a note to gather your income for 2022 and stop into our office to see if you qualify, or call and we will send you an application.

Happy Holidays everyone. It's getting close now. Please make sure you get your applications in. March 1st is right around the corner.

Assessment Office - Webpage Updates

Always check to see what is new on the Assessor's Office webpages. Periodic updates may answer questions, saving you a trip, or we are just a phone call away. Town of Gates Assessor's page can be found at: <https://www.townofgates.org>

We do recommend that anyone with questions give our office a call, or just stop in, as we would be happy to assist you in determining what action(s) to take. Our office hours are Mon-Fri, 8 am – 5 pm. Our office number is (585) 247-6100 Ext. 414

Greetings from the Chief!

This fall we look to continue our involvement with many different town events. Gates PD will be at many trunk or treat events and at the annual Thanksgiving day "Gobble Wobble." Come on out and have some fun before you eat turkey!

As we head into the winter months please review the below information regarding town winter parking and safe winter driving. Every year when the first snow falls we see a spike in motor vehicle crashes in town. Please drive safe, be alert and TAKE YOUR TIME!

Gates Town Winter Parking Rules.

- 1) No parking on the streets between midnight and 8am starting November 1st through April 1st.
- 2) No parking on the streets anytime the Town is conducting snow removal.

Tips for driving in the snow:

- Never warm up a vehicle in an enclosed area, such as a garage.
- Do not use cruise control when driving on any slippery surface (wet, ice, sand).
- Delay trips when especially bad weather is expected.
- If you become snow-bound, stay with your vehicle. It provides temporary shelter and makes it easier for rescuers to locate you. Don't try to walk in a severe storm. It's easy to lose sight of your vehicle in blowing snow and become lost.
- Don't over exert yourself if you try to push or dig your vehicle out of the snow.
- Make sure the exhaust pipe isn't clogged with snow, ice or mud. A blocked exhaust could cause deadly carbon monoxide gas to leak into the passenger compartment with the engine running.
- If possible run the engine and heater just long enough to remove the chill and to conserve gasoline.
- Accelerate and decelerate slowly. Applying the gas slowly to accelerate is the best method for regaining traction and avoiding skids. Don't try to get moving in a hurry. And take time to slow down for a stoplight. Remember: It takes longer to slow down on icy roads.
- Drive slowly. Everything takes longer on snow-covered roads. Accelerating, stopping, turning – nothing happens as quickly as on dry pavement. Give yourself time to maneuver by driving slowly.
- The normal dry pavement following distance of three to four seconds should be increased to eight to ten seconds. This increased margin of safety will provide the longer distance needed if you have to stop.
- Know your brakes. Whether you have antilock brakes or not, the best way to stop is threshold breaking. Keep the heel of your foot on the floor and use the ball of your foot to apply firm, steady pressure on the brake pedal.
- Don't power up hills. Applying extra gas on snow-covered roads just starts your wheels spinning. Try to get a little inertia going before you reach the hill and let that inertia carry you to the top. As you reach the crest of the hill, reduce your speed and proceed down hill as slowly as possible.
- Don't stop going up a hill. There's nothing worse than trying to get moving up a hill on an icy road. Get some inertia going on a flat roadway before you take on the hill.

History of the beginning of the Gates-Chili Fire Department

Back in the 1920's, there were no emergency services in Gates. The only piece of fire equipment nearby was a horse-drawn chemical hose truck, No. 21, stored at St. Mary's Hospital farm on Fisher Road. Charles J. Diring, the farm superintendent, had purchased it from the Rochester Fire Department on Genesee Street and stored it in the barn.

On the afternoon of Monday, November 19, 1923, Mrs. Maurice Balmer was at her home on Evelyn Street with her children. Maurice Sr. was at work at the American Woodworking Machinery Company. Shortly before 3 p.m., Mrs. Balmer lit a fire in the presumably wood-burning kitchen stove to start supper, and then left the children alone in the house while she went to visit her sister, Mrs. Bruce White, who lived nearby.

Shortly after, a neighbor, Edward Doud, saw smoke coming from the Balmer home and came to investigate. As he neared the house, flames shot up through the roof. He tried to get in but was turned back by the fire. Before long, a group of neighbors had assembled in front of the burning house and several of the men used an extinguisher to fight back the flames from a window. That enabled one of them, J. F. Sharkey, with a wet towel covering his head, to climb into the house and save one of the children. Little could be done to put out the fire, which destroyed the home. Later that afternoon, the remains of the two other children were discovered and removed from the debris. Officials determined that an overheated stove was the cause of the fire.

After the fire, several members of the community met in a shed on Long Pond Road near Trolley Boulevard to make plans for a local fire department. On February 15, 1927, the Gates Protective Association was formed. At first, a horse-drawn cart was the only equipment available for use. Members answered calls on horseback, bicycle, or on foot. A bell was installed at the top of the windmill at St. Mary's Farm. Emergency calls were directed into the farmhouse, where the nuns answered the phone and rang the bell to summon Mr. Diring from the field with his team of horses. He changed the harness and hooked the team onto the chemical cart. The sisters stood by to answer calls from the volunteers and tell them the location of the alarm.

The fire department's first motorized truck was delivered in January 1928.

In 1932, the Gates Protective Association was reorganized under the membership corporation laws of New York State as the Gates-Chili Fire Department Inc.

Open Wednesdays 10 am - 3 pm
Other hours by appointment

With Fall underway and Winter right around the corner, the Gates Historical Society has some interesting programs and fun events scheduled.

October 16: Gary Newman, Reenactor will join us. His presentation will include the causes and background of the American Revolutionary War in NY and the treaty ending the war.

November 20: Publisher and Author Chris Carosa will join us. His presentation entitled "How (and What) Forged Our Major Roads" tells us where our roads came from and how and why they got there.

All our programs are held at 7pm on the third Monday of the month at the Gates Town Hall Annex, 1605 Buffalo Road. The facility is handicap accessible and light refreshments are served. As always, our programs are free and open to the public.

The month of December brings Holly Days back to the Hinchey House. The house will be decorated inside and out. Inside there will be 8 trees decorated by various community groups and organizations. Visitors will be able to vote for their favorite tree. The rest of the indoors will also be beautifully decorated. The outside of the house will have decorated trees in the front yard, some with edible decorations for our wildlife friends, and the farm sled full of gifts will be on display. Be sure to come by and see the beautiful decorations. We will be needing volunteers to help make decorations for our outdoor trees and to help decorate the outdoors. If you are interested in volunteering by making decorations or for anything else, you can contact us by calling the house at 464-9740 or sending an email to gateshistoricalsociety@gmail.com. Our volunteers make all the difference to the success of our organization. Thank you!

Are you a scout or youth group leader? Think about bringing your group to the Hinchey House for a tour. We are beginning to schedule visits for the Spring. We also welcome school groups and classes on tours. We have fun activities for kids and a kid themed tour. Contact the house at 464-9740 or email us at gateshistoricalsociety@gmail.com for more information and to schedule your group's tour.

You can find more information about our programs and events and stay updated by following us on Facebook. Be sure to check out our website gateshistory.org. There you can find information about the Hinchey House, programs and events, past newsletters and our gift shop. We have many books about local history for sale that would make wonderful holiday gifts. Also, if you missed a program, want to see a program again or share a past program with others, our Gates Historical Society YouTube channel has videos of past programs. We hope to see you at our programs and events this season.

TAI CHI

Have you made plans for keeping in shape over the fall and winter? We don't want to stiffen up over time, do we? Our friendly Tai chi class is for YOU! Tai chi is done from a standing position. We offer gentle repetitive movements that will increase your range of motion, give relief to knees, hips, and shoulder joints, help in maintaining balance (so you won't be prone to falls), and give your mind a work-out. Learning new skills prevents mental decline! Beginner students will have more one on one assistance if needed.

Session 1: September 21 - October 26

Session 2: November 2 - December 14

Thursdays, 2:00 - 3:00 PM

Rec Center Room A

Program Fee:
